

TRICK OR TREAT

Halloweensong der 8CG d. GSZ Stralendorf Sj.24/25

Scary nightmares, creepy spider
A spooky ghost wants your life
The shadows of the mummies
Bloodthirsty vampires with knives

Scary, ugly, pumpkin ghost
Walks across the cemetery
Brother scares his little sister
Mother's making bloody marry

*Tonight's the night
The children walk along the street
They ring the doorbells shouting:
"Trick or Treat"*

**So you better stay at home this night
Or I'll hear you scream
Well, you better hide under your bed
Because it's Halloween**

**Please do not get a heartattack
There is no vaccine
Pennywise is not your friend
This is Halloween**

Spooky ghosts in every corner
Black vampires in the dark
witches on a broomstick
Disturbing noises from the park

Jack O'lantern by the door
With carved an spooky faces
Zombies that will eat your brain
Some new murder cases

Bridge: Tonight's the night...

Chorus: So you better...
